**CUSTOM
WATER PARK**

SETTING UP YOUR PARK

1

UNROLL

Roll out the inflatable and find the location of the inflating valve.

2

INFLATE

Use the supplied blower to inflate the elements of the park.

3

PLACE THE ELEMENTS IN THE WATER, 1 AT THE TIME

Place the elements in the water one by one and ensure that they do not float away.

4

CONNECT THE PARTS

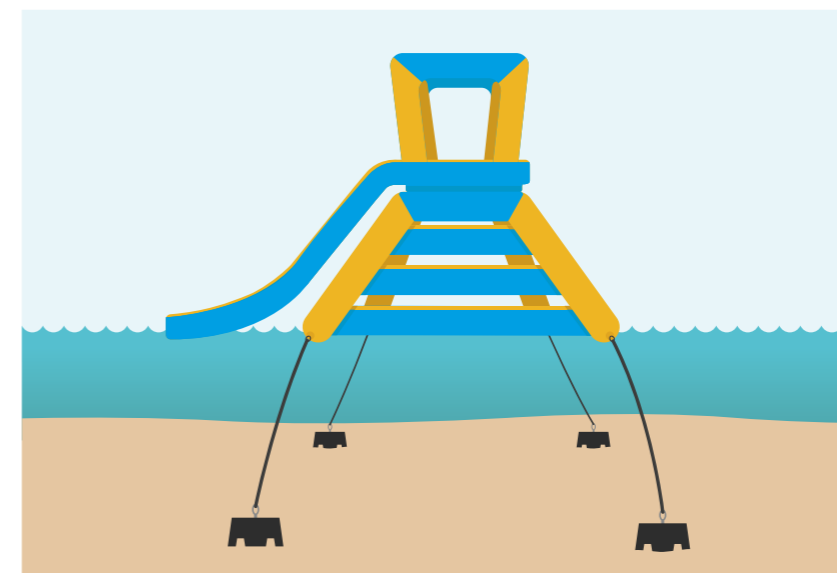

Connect the parts with the JB waterplay cover. All linkable parts are interchangeable, so have fun and create your own outlay of the water park.

5

ANCHOR TO THE BOTTOM

Anchor the inflatable elements according to the method described in the manual. **Mandatory for user safety!**

Every day our team of professionals are working hard to deliver the best service. We design, produce and supply inflatables, playgrounds, party items, skydancers, blow-ups and much more. JB strives to create the best products, so that your customers smile, seeing the bouncy castle of their dreams. If you are after an outstanding inflatable, we are the right company to create one for you. We choose only for the best materials of the highest quality. We proudly carry the name of the market leader in the field of inflatables, and we are ready at your disposal!
